COMPREHENSIVE SIGHTSEEING

Ho Chi Minh (Saigon) is the heart and soul of Vietnam. Being the largest city, the economic capital and the cultural trendsetter of Vietnam, is ever bustling and dynamic.

Notre Dame Cathedral ~ Constructed between 1959 and 1962, it is an impressive modern building that combines the functional aspects of a European cathedral with traditional Vietnamese elements, including a distinctly Asian spire.

My Tho ~ expose the colorful outskirts life as well as picturesque rice fields along the journey.

SHOPPING

Ben Thanh Market, lacquer ware factory and local handicraft center.

Post Office

Ben Thanh Market ~ City's main market, where you should be able to get some real good bargain for items such as Lacquerware. Arrange according to product. Clothes, shoes and fabric dominate the front, before giving over to kitchenware, cooked food, fresh vegetables and a somewhat alarming display of seafood and meat.

Water Puppet Show

Like in other traditional performing, a water puppetry program always starts with a boisterous music composition to attract attention and create a joyful atmosphere. In modern theaters, the orchestra consists of professional musicians and singers. They play traditional musical instruments and two stringed violins. The singers not only accompany performing items but also converse with puppets.
